Dear Latrobe Valley business owner,

Olivia's Place is a not-for-profit organisation providing support in pregnancy and early parenthood to families in Gippsland.

One of the services we provide is a print booklet of local resources for families called *The Olive Guide*. For a number of years we have produced *The Olive Guide* for free distribution across Baw Baw Shire. Now, for the first time, we are creating an edition of *The Olive Guide* specifically tailored to the Latrobe Valley.

We are looking for local businesses to advertise in the Latrobe edition of The Olive Guide. With a print run of approximately 2000 copies, this is a good opportunity for information about your business to reach the families in your local community. As the booklet is due to go to print, please get in touch ASAP if you would like to take up space in the guide.

Please find attached information regarding the pay scale for ads, as well as a digital copy of the previous edition of *The Olive Guide*, which will give you a sense of the publication and its scope.

If you have any queries or would like to discuss advertising opportunities in our publication, please don't hesitate to contact us by email at info@olivasplace.org.au or via phone on 0402 609 343.

Regards,

Kirsten Finger

Centre Manager
